The Republican Club is honored to welcome:

*Former CIA Operative CounterIntelligence Expert  
and author of BIG INTEL*

**J. Michael Waller**

**Waller** is returning to provide insight  
on Trump's Administration

J. Michael Waller is president of Georgetown Research, a political risk and private intelligence company, and senior analyst for strategy at the Center for Security Policy. Waller worked for the CIA in Central America, did ground-breaking scholarship after the Soviet empire's breakup, and taught history and methods at America's premier intelligence schools. His work has appeared in the New York Post, the Washington Times, the Washington Examiner, The Federalist, and the Wall Street Journal.

"What if you combined the dark, anti-human politics of the academic left with the unfettered power and impenetrable secrecy of the national security state? You'd have pretty much what we have now... Mike Waller explains how we got there."  
—TUCKER CARLSON
