The RCIRC is honored to present:

Tiffany Justice

Tiffany Justice is the Director of the Six State Strategy, a joint voting initiative of Turning Point USA and the Citizen's Alliance. The Six State Strategy will focus on Arizona, Nevada, New Hampshire, Wisconsin, Michigan and Pennsylvania. Justice is partnering with Surus Enterprises, who provides supporting data, technology, programming and best practices infrastructure to conservative organizations to help develop, support and scale transformative grassroots programs that inspire citizens and move the consciousness of America.

Prior to this role, Justice was with The Heritage Foundation as the Executive VP of Heritage Action for America. She joined the organization in January of 2025 as a visiting fellow to launch the Parental Rights Initiative at Heritage and was quickly promoted.

A stay at home mom, Justice began her political career in 2016, winning election to the Indian River County School Board. She launched Moms for Liberty in IRC and Brevard Co. with co-founder, Tina Descovich in 2021. It quickly expanded in 4 years to over 300 chapters with 130,000 members in 49 states. Its national conference hosted a who's who of conservatives, including President Donald J. Trump.
